Moving athletes from one race to another is also acceptable. Coaches must report 'race changes' to the PTT Staff member on site to ensure the athletes are coded correctly in the system.
- **Chip Distribution:** At the beginning of the meet, each school will receive a bag of chips which contains a roster of their entered athletes that specifies which athlete receives which chip. The chips are labeled with numbers that correspond to the number on the Print-out. The roster will also list what race the athlete was entered in by their coach (Varsity, JV, etc). Any changes need to be reported to the PTT Staff member to ensure the athletes show up correctly in the results.
