

## Menomonee Falls Cross Country

Dear Coaches & Athletic Directors:

The 23rd annual Meet of Future Champions/JV State is slated for Thursday, October 19, 2017 at Rotary Park in Menomonee Falls. This race is for all runners not competing at WIAA Sectionals on Saturday, Oct 21, 2017.

**Directions:** To get to Rotary Park, take Menomonee Avenue from either Lilly Road (from the south only) or Pilgrim Road (from the north or south) to MacArthur Drive and the park is north. Buses can park along MacArthur Dr.

**Entries:**

- PT Timing will provide chip timing for the meet again this year.
- After your conference meet has been run, submit your entries and seed times on the PTTiming registration website. Only non-sectional runners should compete.
- Use your runner's best time of the season. If you omit a seed time, the runner will automatically be entered in the faster race. There will be four races, two for boys and two for girls. The races will be divided into two (fast and faster) and PTTiming will determine the cut-off based on the number of entries.
- Deadline will be Monday, Oct. 16 at 12:00 p.m. Check PT timing later in the week to see what race your athlete will be running. In the past, cut-off times for the boys has been around 20:35 and approximately 25:00 for girls.
- Coaches are responsible for the return of all chips for your team. There is a \$50 fee for lost chips!
- Return chips to PT Timing at the finish line upon the completion of the last race.
